
Sonoma Volunteer Firefighters' Association presents

Sonoma's 4th of July Celebration

Dear Potential Sponsor,

The Sonoma Volunteer Firefighters Association (SVFA) produced through entirely volunteer efforts, and local donations, the Sonoma 4th of July evening fireworks show for over 43 years. Last year was our first year hosting the Fourth of July Celebration for the Sonoma Valley. It was a huge success and plan on making this year even better. This years' theme is "First Moon Landing".

The 4th of July in Sonoma is a one-day family event with a parade, food vendors, games and contests and of course the spectacular fireworks show. The Downtown Plaza Festival is a neighborhood event that is branded a local event. All activities are commemorated through press, city hall, brochures, our website, our businesses, and our neighborhoods. As a sponsor, this is the event we hope you want to continue to be a part of **for years to come**.

We are in need of your help. Sonoma Volunteer Firefighters Association is a 501(c) 3 nonprofit. Last year's parade and Plaza festival would not have been successful without the financial help from sponsors. With your assistance, the SVFA will ensure that the largest one-day community event in Sonoma will be an event for our children to remember!

It is the SVFA vision that you will want to show everyone in Sonoma and Sonoma Valley that your business is proud to be here. Last year's event attracted over 15,000 people. Commit now and your locked in, or wait on the side lines for the opportunity to present itself, but it might be years before its available again. SVFA looks forward to working with your business and developing a rewarding relationship. We have 6 levels of sponsorship. Attached you will find the breakdown of each. Not only full or partial monetary donation, this also can be a whole in-kind donation (\$ value of donated goods) to our organization. This can be 100% tax deductible. We will use your goods the day of the event to raise money for the mission of the SVFA and to continue to present the Sonoma's 4th of July Celebration for years' to come.

Sincerely,

Gary Johnson
